**Memory Text** “And this is the testimony: that God has given us eternal life, and this life is in His Son. He who has the Son has life; he who does not have the Son of God does not have life” (1 John 5:11, 12, NKJV).

This week we will study some intriguing passages that people use to justify the natural immortality of the soul.

These reflections should strengthen our own convictions and help us to answer kindly those who question this crucial teaching.

*Welcome*.....to the Rolla Seventh-day Adventist Church. A joyous greeting to all who have come to worship today. It is our hope that each of you may find encouragement, inspiration, and direction for living. Above all, we pray that you may sense the loving presence of God.
